

Remarks

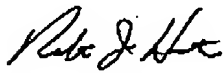

This amendment follows the Examiner's suggested changes for making the claims read over the prior art of record. The Examiner indicated that she would enter and consider such amendments AFTER FINAL providing no other limitations are changed.

More specifically, claim 1 has been amended to clarify the oblong shape of the sleeve's opening, and claim 5 has been amended to overcome the Examiner's objection.

Claims 1 – 10 and 15 remain in the application. All other claims have been canceled.

The examiner is respectfully requested to enter the amendments and allow claims 1 – 10 and 15.

Respectfully submitted,
